Dear Siglo de Oro Performer,

The participants will be chosen based on a competitive bidding process: the play, quality (interpretation, costume, and scenery), proposal, and the inclusion of a sample DVD of your play with the viewer rating. As a government agency, we are restricted by national policy with respect to perceived obscenity and lewdness in the presentation. For this reason we monitor and adhere at a level of conservative standards, which dictate absolutely no nudity or lewdness.

It will be necessary to reply with your intent to participate in the festival no later than July 31, 2009. Your proposal should not include hotel cost. We will pay for the hotel; however the meals will not be included. If you wish, you may include the cost of meals in your proposal. I am including a sample proposal for simplification.
