

The National Telehealth Webinar Series  
Presented by  
The National Network of Telehealth Resource Centers

## Enabling State Licensure through Key Portability Initiatives

**November 17, 2011**

9:00AM HT, 10:00AM AKST, 11:00AM PST, 12:00PM MST, 1:00PM CST, 2:00PM EST

- Richard Whitehouse, Esq., FSMB Board of Directors, Executive Director of the State Medical Board of Ohio
- Sandra Waters, MEM, FSMB Chief Operating Officer

The Federation of State Medical Boards (FSMB), a national non-profit organization representing the 70 medical and osteopathic boards of the United States and its territories, has embarked on a portability initiative to increase efficiency between licensing. This webinar will provide information on the FSMB Initiative and the products and services that have been developed to aid the licensure process and enable licensure portability.

*The TRC Webinar Series provides timely information and demonstrations to support and guide the development of your telehealth program by experienced telehealth professionals from the HRSA-designated Telehealth Resource Centers (TRCs).*

*These webinars are FREE to the public on the 3<sup>rd</sup> Thursday of each month.*
