Heard About Genetic Counseling? What Does it Mean for You, Patients, and Families?

Thursday, August 30

12:00-12:30pm Central

1:00-1:30pm Eastern

11:00-11:30am Mountain

10:00-10:30am Pacific

Presenters:

Karin Dent, MS, LCGC

This educational webinar series is presented by the Genetics in Primary Care Institute (GPCI), a cooperative agreement between the American Academy of Pediatrics and the Maternal and Child Health Bureau. The objective of this 10-part webinar series is to increase awareness and education regarding the provision of genetic medicine in primary care practice. It is designed for primary care clinicians, pediatricians, pediatric sub-specialists, family physicians, nurse practitioners, genetic counselors, geneticists, and other stakeholders.

After registering you will receive a confirmation email containing information about joining the Webinar. The webinar will begin promptly at the times listed above. Please plan to log in to the webinar 5-10 minutes prior to the start time.

The webinar will be recorded and available online within a week of the live webinar at this link:

<http://www.medicalhomeinfo.org/GPCI.aspx#webinar>

The webinar is open to all who are interested. Please disseminate this information widely.
