# 64<sup>th</sup>

Summer  
Research  
Experience Program  
in Oncology  
**2016**

**APPLICATION DEADLINE: 1/10/16**

## First Year Medical and PA Students

If cancer research and oncology are your career goals, begin this summer at **Roswell Park Cancer Institute**.

### Program

- Experience scientific and clinical research at one of the world's first comprehensive cancer centers.
- Receive mentorship from internationally-known scientists and oncologists.
- Explore clinic operations and the role of clinical trials and translational research in advancement of cancer medicine.
- Present your scientific or clinical research at a research conference.
- Participate in a lecture series on pertinent topics in cancer science, writing and presenting, research ethics, and cancer health disparities.
- Out-of-town student accommodations are available.
- Select students will receive a stipend, based on eligibility criteria and qualifications.
- Participate in program-sponsored social activities.
- Funding support is provided by the National Cancer Institute of the National Institutes of Health under award Number: R25CA181003

**Program Dates**  
June 6 to  
July 29
