

The University of Kansas Seeks Participants!

Summer Research Experience for Undergraduates (REU) Program in Chemistry

The National Science Foundation will fund ten (10) undergraduate students who have completed at least their sophomore year in college but have not yet graduated.

**Participants will receive a \$5,000 stipend,
housing and meal plan for 10 weeks, as well as a travel allowance!**

REU researchers will gain hands-on experience in a collaborative atmosphere, engage in cutting edge research on a *project of their choice*, and participate in a career enhancement program addressing challenges in the emerging interdisciplinary field of green chemistry and other career options. Program Starts: May 23rd Ends: July 30th

Project Descriptions & Online Application can be found at

<http://chemreu.ku.edu/>

Deadline March 1, 2016
