

# ANNUAL NATIONAL WORKSHOP

## *“Designing Your Courses for More Significant Learning”*

Offered by Dee Fink & Associates

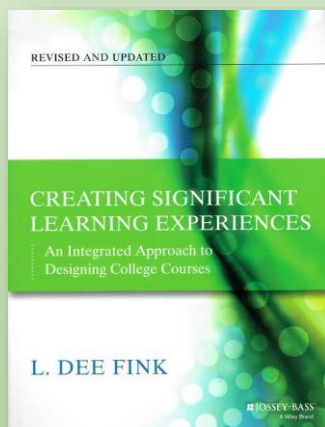

Chicago, IL | May 25-27, 2016

Dee Fink and his Associates have been offering workshops on “Designing courses for Significant Learning” for over ten years, at numerous campuses around the country and even internationally. But the National Workshop is clearly ***the most powerful workshop we do***, for two reasons.

First, we have more time (2.5 days), so participants have enough time to do all the steps thoroughly. Second, we have several Feedback Facilitators, so every participant is able to receive personalized feedback from a trained expert.

This is a “Doing” workshop, NOT a “talking heads” seminar. Participants will spend over 50% of the workshop time “doing” course design: re-designing their courses, sharing their design with others, and getting feedback on their design.

### WHAT WILL PARTICIPANTS TAKE AWAY FROM THIS WORKSHOP?

~ Experienced Know-How: They will know how to design any course for significant learning, because they will have done it and will see several course designs for other subjects.

~ A Partially-Designed Course: They will have completed each step of the design process for one course of their own choosing, and will have received feedback from other participants and from a trained facilitator.

People who have attended previous workshops have made comments such as the following:

*“Really, this is probably the best, most cohesive, well-organized and well-paced workshop I have ever attended!”*

*“Reading the book was valuable, but talking about the concepts made it actionable.”*

*“When I tried these ideas, the energy in the classroom increased significantly, in fact the new energy was palpable!”*

The cost of attending this workshop is \$650.00. This includes workshop tuition, handouts, and a copy of *Creating Significant Learning Experiences*.

**Quantity Discount:** For any institution sending four or more participants to the Chicago workshop, the registration fee is discounted to \$500 per person.
