SROP
Summer Research Opportunity Program

RACKHAM GRADUATE SCHOOL
UNIVERSITY OF MICHIGAN

Outstanding undergraduate students from other institutions with an interest in pursuing their Ph.D. can apply to SROP upon entering or completing their junior year. Students have the opportunity to conduct full-time summer research under the mentorship of the country's leading engineering faculty members. The program culminates in a research symposium, oral or poster session..

IMPORTANT DATES

Application Deadline	Notifications	Program Dates
January 15, 2017	March-April 2017	May 30-July 29, 2017*

*SROP participants are expected to participate full-time during the 8 week program. Participants may not enroll for classes, concurrent summer programs, or hold other employment during the period of the program. SROP is held on the U-M Ann Arbor campus.

BENEFITS

- $4,000 stipend
- Roundtrip airfare or mileage
- Room and board in University housing facilities
- GRE preparation course at no additional cost
- Weekly seminars to help prepare for graduate school
- Networking and professional development opportunities
- Access to campus facilities such as libraries, computer labs, etc. (gym fees are extra)
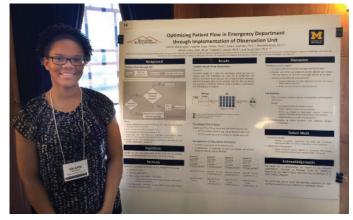

ELIGIBILITY

Applicants must:

- Be a U.S. citizen, permanent resident, or non-U.S. citizen with DACA
- Be able to demonstrate that they are from a background that will contribute to the diversity of the community of scholars in SROP. Students from racial or ethnic minority groups, low-income family backgrounds, first-generation U.S. citizens, and first-generation college students are especially encouraged to apply.
- Have a minimum overall 3.0 GPA (on a 4.0 scale). Students who have attained a GPA of 3.5 or above are strongly recommended.
- Be entering their junior or senior year in college (at a school other than the University of Michigan) and not scheduled to graduate before December 2017.
- Have an interest in pursuing a doctoral degree in one of the Rackham graduate programs. Please note that this does not include programs leading to professional degrees, e.g., Medical School (MD), Law School (JD), Business School (MBA).
- Have a genuine interest in academic research and/or teaching as a career.
