

PREVENT THE SUMMER SLIDE IN K-5

Enroll Your Students in an OWP Literacy Camp

Your students will enjoy these Literacy Camps that combine innovative lessons with an engaging and interactive summer camp approach. Students will make reading, writing, and confidence gains that eases kids back into the rigors of the academic school year. Three themes available with all activities meeting Oklahoma standards and are geared to the grade levels of participants.

25% of academic learning is lost by children during the summer months.

U.S. Department of Education

Approximately **2 Months** of literacy skills are lost over the summer.

Each fall teachers spend **6+ weeks** re-teaching old material.

Educators are seeing **strong declines** in student retention due to an expanded summer break and adjustments in regular instruction this year (distant, hybrid, disruptions during in-person instruction) due to the pandemic.
