

# Boost Your Research and Scholarship Skills

A collaboration between California Health Sciences University, Kansas City University, Philadelphia College of Osteopathic Medicine, University of Nevada, Reno, and the Western University of Health Sciences.

## All About Embase

**Wednesday, October 11, 2023 | 11:00 - 11:30 PST**

Embase is a great counterpoint to PubMed, especially if you are searching for pharmaceutical research, medical devices, or international biomedical studies. This session will cover basic searching as well as advanced techniques and filters.

Presenter:

Kelli Hines, MLIS,  
Western University of Health Sciences  
Pomona, California

## Clinical Drug Information Resources: Lexicomp and the Medical Letter

**Wednesday, October 25, 2023 | 12:00 - 12:30 PST**

Join us for a review of two important clinical drug information resources. Lexicomp is a collection of clinical databases and clinical decision support tools that provide access to calculators, identifiers, interaction & overdose assessments, and patient education materials. The Medical Letter provides independent, objective, practical, and timely information on drugs and treatment of common diseases to help clinicians make the best, unbiased decisions for their patients.

Presenter:

Alexander Lyubechansky, MA, MLIS  
Savitt Medical Library  
University of Nevada, Reno
