

Boost Your Research and Scholarship Skills

A collaboration between California Health Sciences University, Kansas City University, Philadelphia College of Osteopathic Medicine, University of Nevada, Reno, and Western University of Health Sciences.

Embracing AI: An Introduction to ChatGPT Tuesday, March 19, 2024 | 10:00 - 10:30 PST

Let's start from the beginning! What is ChatGPT? How do I sign up for it? How do I interact with it? What is a prompt? By the end of the session all of these questions, and more, will be answered! The goal of this session is to take any hesitancy out of diving in and using ChatGPT or other GAI's!

Presented by:
Kyle Robinson, MLIS
California Health Sciences University

Mastering PICO Search in Embase Thursday, March 28, 2024 | 12:00 - 12:30 PST

Using real clinical cases, we will examine how to use the PICO Search tool in Embase. This tool is especially useful not only for clinicians and researchers who practice evidence-based medicine (EBM) on a daily basis but also for students who are learning the basics of EBM.

Presented by:
Alexander Lyubechansky, MA, MLIS
Savitt Medical Library
University of Nevada, Reno
